

CLEANSERS

Derma Zest Cleansing Gel – 100 ml/15ml – All Skin Types

The Zone cleanser is an ultra-refined formulation, designed to impart a gentle cleansing action without harsh astringents or stripping agents. It also possesses a secondary toning effect that leaves the skin feeling tighter, firmer, yet softened and without drying out. A host of organic actives have been included to deliver soothing, gentle cleansing, natural toning and repairing action. This will ensure a better absorption of the RégimA layering serums and creams. The skin will benefit more from the precious actives.

DAY CREAMS

The **liposomes** in all day creams deliver a Beta-Endorphin Stimulating Complex, a new technology ingredient with unique action, producing a sense of wellbeing after application, leaving the skin feeling smoothed, firmer, refreshed, moisturised with improved radiance. All day creams contain a SPF 25 UVA/UVB protection system.

Daily Radiant Boost – 50/15 ml– Combination Skins

A complex of plants including **watercress, burdock, sage, soapwort** and **ivy**, contain essential components working synergistically providing anti-inflammatory, anti-bacterial and purifying properties. **Vitamin B** improves the appearance of ageing skin whilst also helping a problematic skin, providing a perfect balance of moisturisation for the combination skin. **Vitamin C**, in a most efficient stable form, helps regulate and tighten the skin whilst making 'sun spots' less noticeable. **Black Tea Extract** helps prevent hardening of elastin and collagen, improving overall skin quality, enhancing smoothness and radiance. **Hydrolysed milk protein** helps balance the sebaceous function of oily, dry or combination skin. These multi-functional actives within the formulation help restore the hydrolipidic film of dry skin, while reducing sebum flow of oily skin, maintaining the perfect equilibrium of moisturisation ensuring skin suppleness and the perfect solution for a combination skin.

Sensorial Daily Protector – 50/15 ml– All Skin Types

A light, sensorially superior emulsion provides protection from the harsh ageing effects of the sun. Plant complexes (based on **Ethyl Ferulate & Polyglyceryl-5 Trioleate & Rosemary Leaf Extract & Sunflower Seed Oil**) provide intelligent skin care and, when combined with a moisturizing form of **Vitamin C** and two types of **Vitamin E**, also helps protect against photo-ageing. Effective cell, DNA and stem cell protection, particularly during solar exposure. Regeneration of UV related damage. Helps reduce skin redness, calming. Promotes a more healthy looking glowing skin. **Bergamot oil** offers an uplifting effect and is particularly beneficial to problematic skin conditions, because of its antiseptic and antibiotic properties, without causing sun sensitivity. **Lecithin**, derived from soybeans has skin protection qualities and helps hydrate, replenish, repair and moisturise.

Daily Ultra Defence – 50/15 ml – Dry/Dehydrated/Mature Skins

A super rich formulation which protects from the harsh drying, ageing effects of the sun. A carefully chosen complex combining selected and **complimentary plants from the sea**, rich in polysaccharides, sorbitol, amino acids, essential fatty acids, carotenoids, **Vitamins A, B, C, E, minerals**, provides significant hydration. **Hyaluronic acid**, one of the most important moisture holding substances, adds significantly to this new technologically advanced formulation. Skin is deeply moisturised, with improved smoothing and a more youthful healthy glow.

Daily Intelligent Sebum Solver – 50/15 ml – Oily/Problem Skins

Carefully extracted actives from a variety of plants including **meadowsweet, watercress, burdock, sage, lemon fruit, ivy, plus niacinamide (Vit B3)** have multiple functions and work synergistically helping deal with oily and problematic skins. Triple acting anti-seborrheic action to remedy and control excess sebum (oil): inhibits the enzyme responsible for over-production of sebum – contraction of dilated pores – limits bacterial proliferation helping prevent acne complications. Helps purify the skin from toxins produced by bacteria. Natural astringent properties, clearing and tightening pores, reducing appearance of blackheads. Most advanced oil soluble **Vitamin C**, perfect for oily skins as it easily penetrates, ensures perfect anti-inflammatory, antioxidant action. Provides all important protection from the harsh, ageing effects of the sun without shine.

NIGHT CREAMS

Rejuvoderm Night Repair – 50/12 ml – All Skin Types

Skin rejuvenating night cream containing natural **fruit acids** (7,5%) and **vitamin A**. Ensures a mild and safe exfoliation of dead skin cells. To be used in combination with the RégimA cleanser and day cream with SPF 25. Apply to face after cleansing and (eye) serums. Avoid the area around the eyes and neck.

Omega High Impact – 50/15 ml – All Skin types except very sensitive

A very powerful skin-rejuvenating night cream with anti-inflammatory actives. Combines a high concentration of **fruit acids** (15%) with **omega 3 and 6**. A technologically advanced powerful product having high impact on the outer horny layer of skin that gives us wrinkles, pigmentation, a dull ageing look, by combining 3 natural fruit acids, **Lactic, Malic** and **Citric**, with reparative elastin stimulating **peptides**, promoting healthy collagen synthesis, **blackcurrant seed oil**, rich in omega 3 and 6, ensures powerful, essential anti-inflammatory action. Promotes gradual Natural exfoliation, healthy cell renewal and rejuvenation revealing youthful restoration. Apply to face after cleansing and after (eye) serums. Avoid the area around the eyes and neck

Age Reversal Night Complex – 50/15 ml – Dry/Dehydrated/Mature Skins

A deeply moisturising anti-ageing night treatment without fruit acids (0%) for dry, dehydrated or mature skins. This treatment combines natural and technological excellence, designed to reduce signs of ageing, revive and rejuvenate the skin whilst you sleep. Its overnight action stimulates collagen and **glycosaminoglycan (GAG) synthesis**, synthesis (**Biopeptide CL**) whilst repairing stressed, environmentally damaged (UV) or ageing skin, imparting essential moisturisation and rejuvenation activity to smooth the skin and reduce the appearance of fine lines and wrinkles thanks to the toning and firming properties of **Euglena Gracilis Extract**, a chronobiological cell energizer. A **Super Carbohydrate Complex** helps to provide key **moisturisation** to assist in regulating desquamation and makes this night cream particularly beneficial for dry, dehydrated skin. Furthermore the actives **Olive Extract**, **Blackcurrant Seed oil** (Omega 3+6) and the renowned wound-healing plant **Centella Asiatica Extract** exhibit powerful antioxidant, anti-inflammatory and soothing actions. Apply to face and neck after cleansing. Avoid the area around the eyes.

EYE CARE

Eye Opener Serum - Revolution-Eyz – 15 ml – All Skin Types

A deeply penetrating, multi-action advanced anti-ageing Serum, created for use over the whole eye area, particularly beneficial for crepey upper eyelids. Ultra-refined elixir from **organic cactus** soothes, calms irritated skin short and long term, hydrates intensely, protects and firms. Mineral **rich giant kelp algae** and **Hydrolysed Wheat Protein** provide antioxidant and anti-inflammatory properties, smoothing, tightening, plus **BioSkinup Contour**, a triple action **plant extracts*** complex helps decrease puffiness, darkened circles, firms, increases collagen and elastin synthesis. **Olive Fruit Oil** boost the anti-oxidant action and helps protect against UV damage. A high potency combination for anti-ageing eye care, helping improve the look of tired heavy eyes, achieving a more youthful appearance.

*Brazilian ginseng, p.olacoides (a Brazilian tree) and lily.

New Expression-365 Under Eye Fix – 20 ml– All Skin Types

3 in 1 Action

A plethora of the latest technologically advanced **peptides*** are utilised due to their specific benefits on the under eye area, targeting and reducing crow's feet wrinkles in density and depth with *myo-relaxing action*, offering rapid and reversible muscle and nerve relaxing effects, for safe application in the under eye and crow's feet area, where the use of injectable myo-relaxors is restricted. Importantly also fades under-eye *dark circles*, decongesting and *reducing puffiness*, thanks to an eye contour complex, based on **Persian silk tree** or mimosa and **St. Paul's Wort** extracts, forming a continuous film with tensor effect. Replenishment and increased collagen synthesis. There is a gradual, continual release of actives into the skin, with an immediate lifting, eye contour smoothing effect, offering 24-hour residual relaxing power. **Olive Extract** boosts the anti-oxidant action and helps protect against UV damage, enhanced by the anti-inflammatory benefits provided

by the **Blackcurrant Seed Oil (Omega 3+6)**, offering additional environmental protection. Superb anti-oxidant and anti-pigmentation action is added by Rosehip Oil, which provides activity similar to Vitamin A.

Has a preventative as well as revitalizing action, helping delay the formation and deepening of expression wrinkles. Use morning and night as this product has a cumulative effect and skin will begin to look noticeably smoother and more youthful.

***Matrixyl® 3000** (peptide anti-wrinkle complex), **Chicory Root Oligosaccharides** and **Caesalpinia Spinosa Gum** (a tightening Complex) and **Hesperidin Methyl Chalcone, Dipeptide-2 & Palmitoyl Tetrapeptide-3** (anti-puffiness complex).

ANTI-AGEING/ HYDRATATION SERUMS

Epi Genes Xpress – 30 ml– All skin types from 35 years onwards

RégimA Zone Epi-Genes Xpress epitomises multifunctional anti-ageing excellence. A winning combination of the most advanced technologies in one magical product. Actives, among which a unique advanced **probiotic**, used at maximum efficacy help stimulate renewal, leading to a thicker and healthier looking, energized, more youthful epidermis. A topical booster, derived from an **African seed extract**, enhances epidermal innervation, helping to fight epidermal thinning, which directly impacts visibly on the outer skin, smoothing and brightening. The unique synergy of actives significantly reduces the appearance of fine lines and wrinkles, skin is visibly smoother, thicker and more resilient, bringing back the all-important youthful glow.

Super Smoother Dual Hyaluronic Action – 50/15 ml– All skin types

The Super Smoother is an anti-ageing product, designed to smooth and impart essential moisture into the skin. It boasts a dual Hyaluronic action, and provides unparalleled moisturisation capabilities, utilizing the latest technology, and the highest concentration of powerful moisturizing actives, all in one product. When developing this product, our aim was to create a smoothing moisturizer second to none, with the ability to provide not only short but long-term moisturizing in a very different smoothing gel form. The **dual Hyaluronic acid complex**, enriched by **Tara tree Extract, Red algae extract**, as well as a unique combination of **fruit extracts**, provide instant tightening and smoothing benefits of a high activity moisturizing, cooling gel, with lasting anti-ageing effects.

Apply to a cleansed skin (after eye care) on face and neck. AM and/or PM, under a day and/or night cream.

ANTI AGEING / COUPEROSE SERUMS

Quantum Elastin-Collagen Revival – 50/15 ml – All Skin Types – Repairing

Technologically superior actives derived from natural sources, provide powerful essential anti-inflammatory and anti-wrinkle action, amplifying collagen III synthesis, with resultant skin plumping, thickening and firming. Healing **plants, algae**, and a plethora of **super peptides** promote repair, help reduce wrinkle density and depth, rapidly improving elasticity and providing a lifting effect, long lasting moisturisation, tightening, delaying the appearance of wrinkles by protecting and stimulating healthy elastin and collagen synthesis, and is combined with **Mannitol**, which draws active ingredients into the skin. Skin appears smoother, feels firmer and more youthful. Apply the serum AM and/or PM, after cleansing, under a day and/or night cream.

ANTI AGEING / PIGMENTATION SERUMS

Pigment Perfector – 50 ml – Pigmented Skin

The Zone Pigment Perfector utilises the newest, most cutting edge technologies available for the treatment and prevention of hyperpigmentation. The combination of these unique anti-inflammatory, anti-oxidant and soothing ingredients, such as the oil-soluble Lumiskin, synergistically enhanced by Stabilised Vitamin C, Chinese Sophora Root extract, Kiwi fruit extract, Black Tea extract, Rosehip Oil, provide extra skin lightening, whitening effects. The added benefit of these ingredients is that the action does not harm viable cells, as with some anti-pigmentation compounds, such as Kojic acid. This promises a much greater standard of skin lightening safety. Its actives exhibit additional hyaluronic acid protecting properties, promoting a perfectly moisturized, fresh and younger looking complexion with plumping effect.

ANTI AGEING/ PROBLEM SKIN SERUMS

Techno 5 Resurfacer – 50/15 ml – All Skin Types

This entirely new “turbo cosmetic” concept focuses on ‘skin resurfacing’ which will literally smooth and resurface the skin, using a combination of enzyme and peptide technologies (**tropical fruits extracts**), giving the skin a new “finish”. All of these technologies are formulated into a sensorial superior emulsion. The entire product incorporates the benefits of anti-inflammatories (**Blackcurrant Seed Oil, Soy bean oil**), anti-oxidants (Olive Extract, Rosehip Oil, Soybean OIL) anti-free radicals, anti-ageing ingredients (**Advanced Tripeptide encapsulated in liposomes**), skin restructuring and exfoliation, plus lightening (**black tea, Rosehip Oil and a specifically designed polymer technology**) effects all in one package. No one in the world has ever brought these 5 technologies together in one product and subsequently the results will be out of this world!

ACNE/ PROBLEM SKIN SERUMS

Acne Attack Serum – 50 ml – Acne

A soothing ‘Rescue’ Serum, to help alleviate the difficulties associated with a problematic skin. An abundance of plants, including Meadowsweet, help control oil production, visibly reducing pore size and minimising the appearance of blackheads and spots for a more refined appearance. Helps attack the problems associated with an acne prone skin. Serum dries quickly leaving a smoother matte finish.

REPAIR SERUMS

Scar Repair Forte + Anti Stretch Complex - 20ml / 50 ml – All Skin Types

Scar Repair Forté is a unique Super Strength Serum designed for ultimate scar management. All the ingredients* in this technologically advanced formulation have been chosen for their anti-inflammatory, anti-bacterial, antiseptic and wound-healing capabilities, addressing every aspect of skin healing. Powerful cutting-edge ingredients provide a cascade of interactions and reactions resulting in an arsenal of defence, increasing resistance to bacterial, viral, fungal and parasitical infections, “natural killers”, protecting and repairing during the critical initial healing phase.

Actives, at their maximum strength, accelerate the healing process, ensuring more rapid scar maturation, with balanced collagen synthesis, preventing ugly scar formation, achieving the very best, most aesthetically pleasing end result. It further acts on older hypertrophic and keloid scars (ugly, raised scars), promoting their maturation, helping flatten, reduce redness, itchiness, pain and improve function. Additional actives help treat red/purple stretch marks specifically as well as their prevention.

*Main actives: Centella Asiatica Extract, Nano-Centella Asiatica, Centelastin™, Palmitoyl Tripeptide-5, Yeast Beta Glucan, Masterwort leaf extract, Equisetum Arvense (Horsetail) extract, Ceratonia Siliqua seed extract Saccharide Isomerate, Marrubium Vulgare extract, Arnica Montana Flower Extract, Hedra Helix (Ivy) extract, Citrus Medica Limonum fruit extract.

Laser-Azu Repair – 15 ml / 100 ml — Post-Laser-Peel-Dermabrasion- All Skin Types

The primary function of 'The Gel' is to create a perfect environment for the skin that ensures rapid healing, reduces inflammation, redness, swelling, repairs, regenerates, all essential elements following a professional procedure. Each ingredient exhibits the highest level of action and their combined force results in a powerful healing product. **Azulene, Pomegranate seed oil, Borago, Bisabolol etc.**, provide powerful anti-inflammatory, anti-oxidant, anti-microbial, anti-viral properties. Enhances skin penetration, effectively delivering active ingredients trans-dermally, promoting more rapid healing and repair whilst being soothing, calming, helping reduce redness and swelling, alleviating pain, relieving highly irritated, inflamed or burned skins.

Added benefits are hydration of dry, damaged skins, relieving skin irritations, improving elasticity, restoring suppleness and essential fatty acids stimulate healthy cell regeneration. The combined action of the ingredients possess extraordinary powers working in synergy, assisting in the prevention of scabbing, crusting, pigmentation and potential scarring, thus ensuring a better end result.

IN SALON PEELS

Turbo Peels 30% and 50% - 50ml

These New Generation 'Turbo-Peels' incorporates a host of actives which impart added healing and rejuvenation effects. The unique gel consistency allows for easy application, excellent patient/client tolerance, shorter down time. The Power Peel offers a combination of 6 powerful fruit acids including **Peach, Raspberry and Apple**, which have a lightening effect superior to Hydroquinone with 100% safety. With the addition of healing plants, renowned for essential anti-inflammatory and antioxidant action, RégimA takes skin peeling to a more therapeutic level, but with safety.

Main Function

- Totally New Generation In-Salon Treatment
- Contains 6 Natural Acids including **Peach, Raspberry, Apple, Lactic, Malic, Citric**, plus **healing, exfoliating, smoothing active ingredients**
- Peeling, healing, regenerating, rejuvenating, renewed youthful skin
- Minimized down time
- Rapid radiance "Flash effect"
- Gives skin renewed elasticity
- Instant smoothing of fine lines and wrinkles
- Helps eliminate and control pigmentation
- Gradually removes "sun spots", "age spots", "liver spots" face and hands

- Peel face + body - Scars hypertrophic and keloids, acne scarring, old burns, old skin grafts

IN SALON MASQUES

Acné Attack – 50ml

A fast acting Masque designed to safely help unblock congested, problematic and acneform skins. **Salicylic Acid** in high percentage, coupled with **Lactic Acid**, are a perfect powerful combination for helping eliminate active acne, and level acne scarring. Lactic acid is smoothing and rejuvenating whilst being known to have impact on hyperpigmentation.

Selected botanicals, including **Watercress, Burdock, Sage, Lemon, Ivy, Soapwort**, work synergistically providing particular benefits for oily problem or inflamed skins, sebo-regulating, anti-bacterial, anti-inflammatory, accelerates healing, calms, soothes, has a 'natural antibiotic' effect. A synthesized biomimetic version of a hydroxy acid naturally present in **Royal Jelly**, rapidly, significantly decreases the number of active sebaceous glands, is antibacterial, inhibits development of P. Acnes bacteria and is anti-ageing. Meadowsweet helps control oil secretion, cleverly balancing hormones within the skin, without affecting hormones in the body and providing antiseptic action.

Rapid Rejuvo - 50ml

A fast acting multifunctional Super Rejuvenating Masque, swiftly, safely, effectively, smooths the skin leaving it silky soft with a healthier youthful glow. An anti-ageing botanical complex combines plants, which were selected for their synergistic and complementary activities, ensuring hydration stability, activates skin microcirculation, helps stimulate elastin and collagen synthesis, whilst protecting against free radicals.

A synthesized biomimetic version of a hydroxy acid naturally present in **Royal Jelly**, rapidly, significantly decreases the number of active sebaceous glands, is antibacterial, inhibits development of P. Acnes bacteria and is anti-ageing. **Lactic Acid** combats pigmentation as well as rapidly exfoliating, smoothing, and rejuvenating. **Salicylic Acid** unblocks congested skins as well as rejuvenating. Penetrating **Pro-Vit B5** stimulates fibroblast proliferation and repair with deep moisturisation.
